O R D E R

On December 6, 1988, the Commission issued an Order requiring Cumberland Valley Rural Electric Cooperative Corporation ("Cumberland Valley") to submit certain information. Appendix A, Item 4, of this Order directed Cumberland Valley to calculate any change in its base fuel cost per KWH as proposed by its wholesale electric supplier adjusted for its 12-month average line loss for November 1986 through October 1988. Cumberland Valley's response to Item 4, filed on December 14, 1988, was incorrectly calculated. Commission Staff has advised Cumberland Valley of these errors.

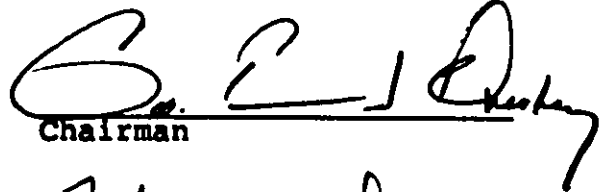

IT IS THEREFORE ORDERED that:

1. Cumberland Valley shall amend its response to Item 4 correcting all errors.
2. As Cumberland Valley's response to Items 5 and 6 of the Commission's Order of December 6, 1988 are derived from its response to Item 4, Cumberland Valley shall accordingly amend its responses to these items.

3. Cumberland Valley shall file the amended responses within 10 days of the date of this Order.
